All materials contained on the website and related products and services, such as text, graphics, logos, images, source code, and components thereof, and any software used on the website, is the property of Amoderia LTD. and are protected by copyright, trademark and other laws that protect the use of intellectual property and property rights. You agree to comply with all copyright and other proprietary notices, restrictions and will not make any changes.

### 3. Security policy

SINTEC.IO has the right to implement reasonable and necessary measures aimed at providing protection against unauthorized access to any device associated with the email address associated with your account and your user name, password and other account data.

If you suspect of violating safety rules you must inform us immediately so that we can take all necessary measures to protect your account, SINTEC and systems in general.

SINTEC.IO will not share your personal information with third parties.

Users are obliged after receiving the notice of the request to provide information in accordance with applicable law and these terms of security policy.

In case you create an account on our website and use our products, we can collect and store the following types of information: Contact information - Name, address, phone, email and other similar information. Before allowing you to use our website and products, we may ask you to provide additional information (for example, your date of birth, passport number or other information that can be used for personal identification and which may be required in accordance with applicable law) so that we can verify your identity and address. We can also receive information about you from third parties.

When you use our website, we collect information about your transactions (for example, date, time and amount of transfer) and other actions on our website, and we can collect information about your computer or other access device to prevent fraud. We can collect additional information about you through your interaction with our support team.

In implementing the provisions of the security policy, we use the term "personal information" to describe information that can be associated with a specific person and can be used to identify that person. We do not refer to personal data information that does not identify a specific user.

We protect your information using physical, technical and administrative security measures to reduce the risk of loss, misuse, unauthorized access, disclosure or modification. Some of the measures we use are firewalls and data encryption, physical access controls to our data centers, management of access authorization information. We also allow access to personal information only to those employees who need it for the performance of official duties. All our physical, electronic and procedural guarantees are developed in accordance with applicable laws and regulations.

We reserve the right to transfer your personal data:

- to our partner banks (when linking a bank account, debit card or credit card to your account);
- company with which we plan to merge or which we plan to acquire (if such an association occurs, we will require that the new unified entity fulfill the following conditions with respect to your personal information, and you will also receive notifications of any changes in the current policy);

- law enforcement bodies, on the basis of court decisions, if the disclosure of personal information is necessary to prevent physical harm or financial loss, to report suspicion of unlawful activities or to investigate violations of our conditions;
- other third parties only with your prior consent or direction for this.

#### 4. Responsibility

SINTEC.IO and its subsidiaries and their respective officers, employees or agents are not liable to you or anyone else for any damages of any kind, including, but not limited to, direct, indirect, incidental, special or consequential damages (including, but not limited to, lost profits, business losses or damages resulting from the use or inability to use this site and its products).

In addition, neither we nor our partners or licensors will be liable for any compensation, refunds or damages arising from: inability to use SINT tokens.
